# SPRING VOLUNTEERS NEEDED

**HABITAT FOR HUMANITY is looking for SPRING VOLUNTEERS and LAPSWV wants to help.**

This spring Habitat for Humanity of Kanawha Putnam County will be building homes for families and they need OUR help! Construction Volunteers are needed Tuesdays thru Saturdays from 8:00 am - 4:00 pm in March and May and LAPSWV would like to put together a construction crew to volunteer on one or more Saturdays.

Habitat for Humanity of Kanawha Putnam County has built 143 houses to date in partnership with working families, regular crew members, faith groups, civic organizations, youth groups and businesses of all sizes and types. Each year thousands of volunteers help build decent and affordable homes for deserving families.

**COME SHARE THE EXPERIENCE AND HELP LAPSWV GIVE BACK TO THE COMMUNITY!**

Saturdays are booking quickly, so please contact Cindy Kline as soon as possible and let her know you want to volunteer; and which Saturday(s) in March and/or May works for your schedule. Contact Cindy at [nalaliaison@lapswv.org](mailto:nalaliaison@lapswv.org) or by calling (304) 340-1311.
